## SPRING 2018 Newsletter

### Staff News

As part of Hugh's 50<sup>th</sup> birthday, he spent the month of July in Italy. Lots of fun was had with family and friends at a villa two hours north of Rome, then two weeks in Sicily.

He is now enjoying a more balanced roster with Nicole Hawken back from maternity leave sharing the load. She is thrilled to be back part of the team and getting a break from the two little twins!

All staff are looking forward to a lunch catch up at Bucatini, an Italian Restaurant in Mitcham, this month.

Steph is looking forward to her upcoming trip to Cambodia, where she is volunteering with "Free The Bears" She will keep you posted on her adventures...

Robyn is jet setting off to America with her son, where she will have a very deserved holiday. The Highlight of the trip will be a helicopter ride over the grand canyon.

### 'Doggy Buds' Treats

**Carob, Yoghurt and Strawberry** flavoured treats for your favourite fluffy.

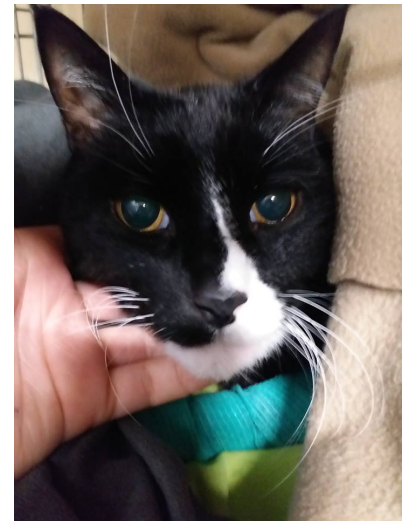

Just like Neapolitan ice cream as a kid!

These treats are a safe alternative to chocolate for your pooch.

Find on our reception desk.  
**\$3.50** for 150gram bag!

# Case Of The Month – Boo

Boo is a 12 year old cat who came to us limping on his back leg. He had surgery on this leg when he was a kitten, but more recently a swelling had been observed. An x-ray showed a large tumour which was only going to be able to be completely removed by amputating Boo's leg. We successfully amputated his leg and he is now coping well on three legs. Cats and dogs adjust very well to getting around on three legs. Boo is a great cat who can now continue to enjoy his life as a senior family member, hopefully for years to come.

## NEW DIETS AT VERMONT VALUE... 'PRIME 100 DRY FOOD' AVAILABLE SEPTEMBER

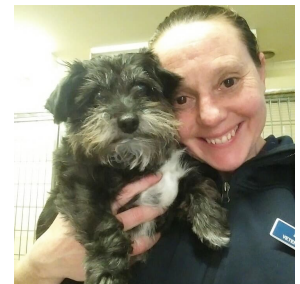

Due to the popularity of our Prime 100 dog rolls we are now stocking Prime 100 Dry Food from September. Several flavours are available.

Chicken with Lentil and Turmeric and Salmon with Lentil and Turmeric for adult dogs.  
Chicken with Lentil and Turmeric for Puppies.  
Kangaroo with lentil and turmeric for seniors and weight management.

Some of you may have noticed a re-vamped painted dog above the front entrance to VVV-many thanks to Robyn for her artistic flair.

Hello! Find our new re-vamped instagram @Vermontvaluevet

Our nurse Steph is always behind the scenes making sure your beloved fur-babies are being photographed and posted!

## PUPPY SCHOOL HAS RESUMED

Classes will be held on Tuesday evenings from 6.30-7.30pm. Robyn (one of our senior Veterinary Nurses) is the teacher of the class and has been running puppy classes for more than 15 years.
